## HOW YOU CAN SUPPORT US

### Single donation

**Every Euro counts!** Our administrative expenses are extremely low, since all the administration tasks are done by own members. This makes it possible for us to channel almost 100% of the sponsored funds directly to the projects.

### Permanent donation/sponsorship

With your sponsorship you can support a child in school. Take over the sponsorship for (50€ per year) the schoolmeals or pay school fees (100€ per year) or alternatively cover both of them for 150€/year. By request a contact to the particular child can be organized. Simply fill out the card attached to this leaflet.

You may also get in touch per e-mail. We will inform you personally.

### Membership

With our initiative we would like to motivate other people to help us jointly together in helping the needy Kenyan children. We will appreciate having more members for our projects.

### Occasion Donation

Please use occasions like birthdays, jubilaums, ceremonies to support us by donating instead of presents.
